

TRINITY INTERNATIONAL UNIVERSITY

TIU POLICY: **Crime Statistics Collection Policy**

TIU POLICY #: **P-723**

STATUS: **Approved, September 2013**
 Updated, June 2015

I. PURPOSE:

The purpose of this policy is to ensure the complete and timely collection of crime statistics from local law enforcement for the annual Clery report.

II. SCOPE:

This policy applies to the Safety and Campus Services Manager.

III. POLICY:

The Safety and Campus Services Manager will make a good-faith effort to collect crime statistics for *all Clery Act* crimes committed in applicable geographic locations and request statistics for *all* Clery geography from *all* applicable law enforcement agencies with jurisdiction over Trinity International University (University). Furthermore, the University's efforts to obtain the statistics will be documented and, if applicable, any nonresponse on behalf of any agency will also be documented.

These same agencies have been encouraged to report any condition that may pose a threat to the University community for the purposes of issuing a timely warning.
